

\$25 Mail-in Rebate on the Purchase of Any Programmable Thermostat (limit 2)

IMPORTANT: You must heat your residence with electricity or gas supplied by Ameren Illinois.

\$25 MAIL-IN-REBATE

Get a \$25 rebate check back from **ActOnEnergy**® on your purchase of a programmable thermostat for your home. Any Ameren Illinois residential electric customer or residential gas customer that heats their home using Ameren Illinois services is qualified to receive this rebate. In addition, you must replace a non-programmable thermostat to qualify for this rebate. Purchases made June 1, 2011 through May 31, 2012 are eligible for this \$25 rebate until program funding is exhausted. Please allow six to eight weeks for processing.

To receive your rebate, please follow these steps carefully:

1. Fill out this form completely and mail it to the address below.
2. Include a copy of your dated sales receipt and/or invoice showing the manufacturer, model number, and price of the programmable thermostat.
3. Include a copy of your most recent Ameren Illinois residential gas and/or electric bill that pertains to the fuel used to heat your home.
4. All rebate requests must be postmarked no later than July 1, 2012.
5. Incomplete information will delay or disqualify your rebate.
